Supplies Needed

- J/6mm, H/5mm, G/4mm, F/3.75mm, E/3.5mm - Hook size will be based on yarn used
- #4 worsted yarn - approx 900 yards, #3 DK yarn - approx 1,000 yards, #2 sport yarn - approx 1,100 yards
- Scissors
- Yarn Needle
- Stitch Markers (4+)
- Fun Yarn (Suggestions only) - Red Heart Roll with it Melange, Lion Brand Pound of Love, Lion Brand Mandala, Hobbii Cotton Kings Twister

Gauge/ Measurements

Pattern is worked in a medium to loose tension. The dimensions per row will vary based on the yarn & hook size you use. Gauge to begin doesn't matter as much.

"Standard" worsted yarn measurements to give a rough idea of mine: When laying flat without stretching or blocking, the triangle measures approx **36" tall** & approx **60" across**. **MAKE THIS AS LONG OR AS SHORT AS YOU'D LIKE :)**

Stitch Guide

- ★ **Sl St** - Slip Stitch
- ★ **Ch** - Chain
- ★ **St/ Sts** - Stitch/Stitches
- ★ **Sc** - Single Crochet
- ★ **Hdc** - Half Double Crochet
- ★ **BLO** - Back Loop Only
- ★ **FLO** - Front Loop Only
- ★ **Dc** - Double Crochet
- ★ **FPDC** - Front Post Double Crochet
- ★ **Cluster** - Granny Cluster
- ★ **Picot** - Border Edging (Info below)

This pattern is not for resale; however, items made using the pattern can be sold by the maker. We ask that you give credit for the pattern by tagging either Wickedly Handmade's Facebook page or Instagram handle.

Thank you so much for choosing our pattern, and we hope you love it! If there are any questions, feel free to contact us at any time by email, through our Facebook page, or through our Instagram page. We will do our best to reply as quickly as possible!

Special Pattern Notes

- ❑ This pattern is worked with a MEDIUM/LOOSE tension so that it allows for a nice drape.
- ❑ You can modify this pattern by making it shorter for a FORWARD FACING Triangle Scarf, or, you can make it as long as you would like for a fun Stevie Nicks vibe!
- ❑ **STITCH MARKERS** are important for this pattern. They will be needed on specific rows (row repeats) so that you do not lose the stitches to go into on the next row.
- ❑ The SC & HDC rows will **NOT** have a chain before you turn. This is VERY important to help keep your edges straight, and your stitch count accurate.
- ❑ The () at the end of each instruction row are the stitch counts for that row.
- ❑ This pattern is worked using ROW REPEATS. This is what allows you to keep the placements even and make it as short/long as you wish.

Special Stitch Definitions

Some of these stitches are used to give the pattern added texture, as well as stitch definition and a 3D effect.

BLO - Back Loop Only. This is worked on the Back Loop of the “V” Stitch. This also adds a 3D effect to your rows. This row will require Stitch Markers. See photo below

FLO - Front Loop Only. This is worked on the Front Loop of the “V” Stitch. This also adds a 3D effect to your rows. You will see it when you flip your work, that the texture from this row and the previous are now on the same side. This row will require Stitch Markers. See photo below

CLUSTER - Granny Cluster. This stitch is a “granny stitch”, formed from 3 Dc Sts used in the same space or stitch. Anywhere it states to use a CLUSTER, you will do 3 Dc Sts. On the repeating CLUSTER rows, you start with a Ch 3, followed by 2 Dc Sts. You then place your next CLUSTER between the 2 CLUSTER St spots on the row below. Each CLUSTER counts as 3 Dc Sts. See photo below

FPDC - Front Post Double Crochet. This stitch is worked to give you a more in depth 3D texture on the reverse side. You will yarn over, wrap your hook behind the post/St below, and complete a Dc St. See photo below

Picot - Single Picot Edging. This edging technique gives the tiny “points”. They are worked by putting a Sc st, then doing a Ch 3. You will then work a Sc in the back bar/bump of the 1st Ch. Now you will work 3 Sc sts in the next 3 spaces, and repeat. On the 3rd Sc st, this is where you then Ch 3 and form your next Picot. See photo below

When coming to the PEAK area of the Picot edging row, you will have 2 Sts left to work into. Place your last 2 Sc Sts and then 1 more Sc St into the peak. You will then form a Picot in the center peak. Continue working your Picot Sts down the last side until you are close to the end. Here, you will have 3 Sts left (including the last St of the row). Place 1 final Picot into that last corner St.

DO NOT TIE OFF. See photo below

Sc Foundation Neckline. Here you will start trimming the border of your neckline to give you a straight edge. After the final Picot St is created, you will slightly angle your work down, and place 1 Sc St. From here down you will work EVENLY SPACED Sc Sts along the neckline until you get to the other end. There isn't an exact amount of Sc Sts, as it will vary based on your tension and the size you are creating. You will want to make sure your work does not bunch up or have a wobble. It will need to lay flat. End your work with a Slip Stitch to the bottom of the 1st Picot St at the opposite edge. Photo example below

Instructions (US Terms)

(Ch 3 Sts count as 1 Dc St)

Ch 4

- **ROW 1:** Dc in the 4th Ch (1st) from your hook. 1 more Dc in the same St. Ch 2 (forms the peak), 3 more Dc in the same St. {6Dc, 1 set Ch 2}

****NOTE:** To get a straighter edge, when turning your rows, I suggest turning the Ch up corner (where you end off) toward you. See photo below

- **ROW 2:** Ch 3, turn, 2 Dc in the same St, skip 2 Sts, 3 Dc (CLUSTER) in the peak area, Ch 2, 1 more CLUSTER in the peak, skip 2 Sts, CLUSTER in the last St (top of the Ch 3 from previous row) {12 Dc, 1 set Ch 2}
- **ROW 3:** Ch 3, turn, 2 Dc in the same St, skip 2 Sts, CLUSTER in space between CLUSTER Sts below, skip 3 Sts, CLUSTER in the peak, Ch 2, 1 more CLUSTER in the peak, skip 3 Sts, CLUSTER in the space between CLUSTER Sts below, skip 2 Sts, CLUSTER in the last St. {18 DC, 1 set Ch 2}

From here, you will notice Stitch Marker placement suggestions. This is to help you not lose the St when working back down that side on the next row. These Sts are easy to miss without them.

- **ROW 4:** You will need St Markers for this row. **DO NOT CH.** Turn, 2 Sc in 1st St (place a St Marker in the 1st Sc to not lose its place) 1 Sc in each of the next 8 Sts, 2 Sc in the peak (place a Stitch Marker in the 2nd Sc in the peak) Ch 2, 2 more Sc Sts in the peak (place a Stitch Marker in the 1st Sc of this set in the peak), 1 Sc in each of the next 8 Sts, 2 Sc in the last St. {24 Sc, 1 set Ch 2} See photo below

- **ROW 5:** You will need St Markers for this row. **DO NOT CH.** Turn, 2 Hdc in the 1st St (place a St Marker in the 1st Hdc to not lose its place) 1 Hdc BLO in the next 11 Sts, 2 Hdc in the peak (place a St Marker in the 2nd Hdc in the peak), Ch 2, 2 more Hdc Sts in the peak (place a St Marker in the 1st Hdc of this set in the peak), 1 Hdc BLO in the next 11 Sts, 2 Hdc in the last St. {30 Hdc, 1 set Ch 2} A photo example for this row showing the St Marker placement, as well as how to do the BLO St placement is above in the Special Stitch Definition section.

- **ROW 6:** You will need St Markers for this row. **DO NOT CH.** Turn, 2 Hdc in the 1st St (place a St Marker in the 1st Hdc to not lose its place) 1 Hdc FLO in the next 14 Sts, 2 Hdc in the peak (place a St Marker in the 2nd Hdc in the peak), Ch 2, 2 more Hdc Sts in the peak (place a St Marker in the 1st Hdc of this set in the peak), 1 Hdc FLO in the next 14 Sts, 2 Hdc in the last St.

{36 Hdc, 1 set Ch 2} A photo example for this row showing the St Marker placement, as well as how to do the FLO St placement is above in the Special Stitch Definition section.

- **ROW 7:** Ch 3, turn, 1 Dc in the same St, 1 Dc in the next 17 Sts, 2 Dc in the peak, Ch 2, 2 more Dc Sts in the peak, 1 Dc in the next 17 Sts, 2 Dc in the last St. {42 Dc, 1 set Ch 2}
- **ROW 8:** Ch 3, turn, 1 Dc in the same St, 1 FPDC in the next 20 Sts, 2 Dc in the peak, Ch 2, 2 more Dc Sts in the peak, 1 FPDC in the next 20 Sts, 2 Dc in the last St. {48 Dc, 1 set Ch 2}
- **ROW 9:** Ch 3, turn, 2 Dc in the same St, *Skip 2 Sts, CLUSTER in the next St*. Repeat *to* 6 more times. Skip 2 Sts, CLUSTER in the peak, Ch 2, 1 more CLUSTER in the peak area. Repeat above *to* again 7 more times. Skip 2 Sts, CLUSTER in the last St. {54 Dc, 1 set Ch 2} See photo example below

- **ROW 10:** Ch 3, turn, 2 Dc in the same St, *CLUSTER in the space between the next 2 CLUSTER St spaces from the row below*. Repeat *to* 7 more times. CLUSTER in the peak, Ch 2, 1 more CLUSTER in the peak area. Repeat above *to* again 8 more times. CLUSTER in the last St. {60 Dc, 1 set Ch 2}
- **ROW 11:** Repeat Row 10, but do the *to* 8 more times up 1st side, (mock the peak) and *to* 9 more times on the 2nd side. Then CLUSTER in the last St. {66 Dc, 1 set Ch 2}

Here you will start doing row repeats. In these instructions you will find that I will let you know which row from above to repeat. If the row above states to use St Markers, you will still do so for the repeats of it's row. If it states to not Ch before the turn, you will not Ch.

The Sc row and both Hdc rows will all start with 2 Sts in the 1st St place. You will then follow the St Counts given in the instructions below up and down the sides.

The Dc row and the FPDC will each have you Ch 3 to start, turn, and then place 1 more Dc St in the same St. You will then follow the St Counts given in the instructions below up and down the sides.

- **ROW 12:** Repeat Row 4 (Sc Row), but do 32 Sc Sts after the 1st 2. (Mock peak/ next side) End with 2 Sc Sts in the last St. {72 Sc, 1 set Ch 2}
- **Row 13:** Repeat Row 5, (Hdc BLO Row), but do 35 Hdc BLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {78 Hdc, 1 set Ch 2}
- **Row 14:** Repeat Row 6, (Hdc FLO Row), but do 38 Hdc FLO Sts after the 1st 2. (Mock peak/ next side) End with 2 Hdc Sts in the last St. {84 Hdc, 1 set Ch 2}

- **ROW 15:** Repeat Row 7, (Dc Row), but do 41 Dc Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {90 Dc, 1 set Ch 2}
- **ROW 16:** Repeat Row 8, (FPDC Row), but do 44 FPDC Sts after the 1st 2. (Mock peak/ next side) End with 2 Dc Sts in the last St. {96 Dc, 1 set Ch 2}
- **ROW 17:** Repeat Row 9 (starting CLUSTER Row), but do the *to* 14 more times up 1st side, (mock the peak) and *to* 15 more times on the 2nd side. Then CLUSTER in the last St. {102 Dc, 1 set Ch 2}
- **ROW 18:** Repeat Row 10, but do the *to* 15 more times up 1st side, (mock the peak) and *to* 16 more times on the 2nd side. Then CLUSTER in the last St. {108 Dc, 1 set Ch 2}
- **ROW 19:** Repeat Row 10, but do the *to* 16 more times up 1st side, (mock the peak) and *to* 17 more times on the 2nd side. Then CLUSTER in the last St. {114 Dc, 1 set Ch 2}
- **ROW 20:** Repeat Row 4 (Sc Row), but do 56 Sc Sts after the 1st 2. (Mock peak/next side) End with 2 Sc Sts in the last St. {120 Sc, 1 set Ch 2}
- **Row 21:** Repeat Row 5, (Hdc BLO Row), but do 59 Hdc BLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {126 Hdc, 1 set Ch 2}
- **Row 22:** Repeat Row 6, (Hdc FLO Row), but do 62 Hdc FLO Sts after the 1st 2. (Mock peak/ next side) End with 2 Hdc Sts in the last St. {132 Hdc, 1 set Ch 2}
- **ROW 23:** Repeat Row 7, (Dc Row), but do 65 Dc Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {138 Dc, 1 set Ch 2}
- **ROW 24:** Repeat Row 8, (FPDC Row), but do 68 FPDC Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {144 Dc, 1 set Ch 2}
- **ROW 25:** Repeat Row 9 (starting CLUSTER Row), but do the *to* 22 more times up 1st side, (mock the peak) and *to* 23 more times on the 2nd side. Then CLUSTER in the last St. {150 Dc, 1 set Ch 2}
- **ROW 26:** Repeat Row 10, but do the *to* 23 more times up 1st side, (mock the peak) and *to* 24 more times on the 2nd side. Then CLUSTER in the last St. {156 Dc, 1 set Ch 2}
- **ROW 27:** Repeat Row 10, but do the *to* 24 more times up 1st side, (mock the peak) and *to* 25 more times on the 2nd side. Then CLUSTER in the last St. {162 Dc, 1 set Ch 2}
- **ROW 28:** Repeat Row 4 (Sc Row), but do 80 Sc Sts after the 1st 2. (Mock peak/next side) End with 2 Sc Sts in the last St. {168 Sc, 1 set Ch 2}
- **Row 29:** Repeat Row 5, (Hdc BLO Row), but do 83 Hdc BLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {174 Hdc, 1 set Ch 2}
- **Row 30:** Repeat Row 6, (Hdc FLO Row), but do 86 Hdc FLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {180 Hdc, 1 set Ch 2}
- **ROW 31:** Repeat Row 7, (Dc Row), but do 89 Dc Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {186 Dc, 1 set Ch 2}
- **ROW 32:** Repeat Row 8, (FPDC Row), but do 92 FPDC Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {192 Dc, 1 set Ch 2}

- **ROW 33:** Repeat Row 9 (starting CLUSTER Row), but do the *to* 30 more times up 1st side, (mock the peak) and *to* 31 more times on the 2nd side. Then CLUSTER in the last St. {198 Dc, 1 set Ch 2}
- **ROW 34:** Repeat Row 10, but do the *to* 31 more times up 1st side, (mock the peak) and *to* 32 more times on the 2nd side. Then CLUSTER in the last St. {204 Dc, 1 set Ch 2}
- **ROW 35:** Repeat Row 10, but do the *to* 32 more times up 1st side, (mock the peak) and *to* 33 more times on the 2nd side. Then CLUSTER in the last St. {210 Dc, 1 set Ch 2}

****If you are making a shorter Triangle Scarf version, this is where I stop. From here, you will move onto the instructions on how to border the piece (can be found on the next page)**

Using worsted weight yarn, with my tension, my approx measurements for a scarf stopping after Row 35 are 26" tall X "43" across.

If you find you do not like this size, or you are using a thinner yarn, you can continue on with more row repeats.

- **ROW 36:** Repeat Row 4 (Sc Row), but do 104 Sc Sts after the 1st 2. (Mock peak/next side) End with 2 Sc Sts in the last St. {216 Sc, 1 set Ch 2}
- **Row 37:** Repeat Row 5, (Hdc BLO Row), but do 107 Hdc BLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {222 Hdc, 1 set Ch 2}
- **Row 38:** Repeat Row 6, (Hdc FLO Row), but do 110 Hdc FLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {228 Hdc, 1 set Ch 2}
- **ROW 39:** Repeat Row 7, (Dc Row), but do 113 Dc Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {234 Dc, 1 set Ch 2}

- **ROW 40:** Repeat Row 8, (FPDC Row), but do 116 FPDC Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {240 Dc, 1 set Ch 2}
- **ROW 41:** Repeat Row 9 (starting CLUSTER Row), but do the *to* 38 more times up 1st side, (mock the peak) and *to* 39 more times on the 2nd side. Then CLUSTER in the last St. {246 Dc, 1 set Ch 2}
- **ROW 42:** Repeat Row 10, but do the *to* 39 more times up 1st side, (mock the peak) and *to* 40 more times on the 2nd side. Then CLUSTER in the last St. {252 Dc, 1 set Ch 2}
- **ROW 43:** Repeat Row 10, but do the *to* 40 more times up 1st side, (mock the peak) and *to* 41 more times on the 2nd side. Then CLUSTER in the last St. {258 Dc, 1 set Ch 2}

**** If you are using WORSTED WEIGHT Yarn - This is where I stop my standard shawl and start the border. (Instructions to border are on the last page)**

When I add the border after finishing here, with my tension, my approx measurements are 36" tall X 60" across.

IF YOU FIND YOUR SHAWL ISN'T AT THESE MEASUREMENTS, THAT IS OKAY. You can continue working more rows.

****If you are using DK weight or Sport weight yarns, you will want to continue your project until it is the desired length you wish. Starting on the next page, you will find more Row Instructions if these counts are needed. Keep in mind, you are just continuing on doing sets of row repeats.**

You can make your shawl as long or as short as you wish.

- **ROW 44:** Repeat Row 4 (Sc Row), but do 128 Sc Sts after the 1st 2. (Mock peak/next side) End with 2 Sc Sts in the last St. {264 Sc, 1 set Ch 2}
- **Row 45:** Repeat Row 5, (Hdc BLO Row), but do 131 Hdc BLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {270 Hdc, 1 set Ch 2}
- **Row 46:** Repeat Row 6, (Hdc FLO Row), but do 134 Hdc FLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {276 Hdc, 1 set Ch 2}
- **ROW 47:** Repeat Row 7, (Dc Row), but do 137 Dc Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {282 Dc, 1 set Ch 2}
- **ROW 48:** Repeat Row 8, (FPDC Row), but do 140 FPDC Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {288 Dc, 1 set Ch 2}
- **ROW 49:** Repeat Row 9 (starting CLUSTER Row), but do the *to* 46 more times up 1st side, (mock the peak) and *to* 47 more times on the 2nd side. Then CLUSTER in the last St. {294 Dc, 1 set Ch 2}
- **ROW 50:** Repeat Row 10, but do the *to* 47 more times up 1st side, (mock the peak) and *to* 48 more times on the 2nd side. Then CLUSTER in the last St. {300 Dc, 1 set Ch 2}
- **ROW 51:** Repeat Row 10, but do the *to* 48 more times up 1st side, (mock the peak) and *to* 49 more times on the 2nd side. Then CLUSTER in the last St. {306 Dc, 1 set Ch 2}
- **ROW 52:** Repeat Row 4 (Sc Row), but do 152 Sc Sts after the 1st 2. (Mock peak/next side) End with 2 Sc Sts in the last St. {312 Sc, 1 set Ch 2}
- **Row 53:** Repeat Row 5, (Hdc BLO Row), but do 155 Hdc BLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {318 Hdc, 1 set Ch 2}
- **Row 54:** Repeat Row 6, (Hdc FLO Row), but do 158 Hdc FLO Sts after the 1st 2. (Mock peak/next side) End with 2 Hdc Sts in the last St. {324 Hdc, 1 set Ch 2}
- **ROW 55:** Repeat Row 7, (Dc Row), but do 161 Dc Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {330 Dc, 1 set Ch 2}
- **ROW 56:** Repeat Row 8, (FPDC Row), but do 164 FPDC Sts after the 1st 2. (Mock peak/next side) End with 2 Dc Sts in the last St. {336 Dc, 1 set Ch 2}
- **ROW 57:** Repeat Row 9 (starting CLUSTER Row), but do the *to* 54 more times up 1st side, (mock the peak) and *to* 55 more times on the 2nd side. Then CLUSTER in the last St. {342 Dc, 1 set Ch 2}
- **ROW 58:** Repeat Row 10, but do the *to* 55 more times up 1st side, (mock the peak) and *to* 56 more times on the 2nd side. Then CLUSTER in the last St. {348 Dc, 1 set Ch 2}
- **ROW 59:** Repeat Row 10, but do the *to* 56 more times up 1st side, (mock the peak) and *to* 57 more times on the 2nd side. Then CLUSTER in the last St. {354 Dc, 1 set Ch 2}

IF YOU CHOOSE TO CONTINUE AND MAKE YOUR SHAWL LONGER - Your stitches will increase by 6 total stitches per each continuation row. You will move on using the same sets of repeats (increasing your row stitch count by 6).

BORDER INSTRUCTIONS

Here you will start your border, which is a Single Picot Edging. You will find some photo references above in the Special Stitch Instruction section.

BORDER START: Ch 1, turn, Sc in the same St. To Create a Picot: *Ch 3, Sc in the back bar/bump of the 1st Ch, 1 Sc in the next 3 Sts*. Repeat *to* down the side until you have 2 Sts left. 1 Sc in each of the next 2 Sts, and 1 Sc in the peak. Repeat *to* down the 2nd side. You will place one last Picot in the last St.

You can choose to cut/tie off and attach on the order side of your neckline, or you can continue from here and not cut/tie off. This is all personal preference.

SC FOUNDATION NECKLINE (instructions and photo references are also above in the Special Stitch Section) Here you will place 1 Sc St on the side of the last Picot St. Continuing on, you will evenly place Sc Sts along the neckline of your shawl/scarf. Doing this you will want to make sure you are keeping the edge straight and not bunching up. Tie off/Weave ends.

You are complete!

If you prefer to block your items, do so after weaving in all of your ends.

Blocking isn't always necessary, and it is not something I do on many of my pieces. This, however, is at your discretion for your personal preference.

THANK YOU, once again, for choosing our pattern.
